Dear Professor Kozyrev

On behalf of Prof. Qiu Yong, the Chairman of the World Peace Forum and the President of Tsinghua University, I would like to thank you for your participation in the 7th World Peace Forum, which has been successfully concluded on July 15, 2018 at Tsinghua University, China.

Your brilliant speech and insightful perspectives on Artificial Intelligence and security issues contributed enormously to the quality of the forum this year. It would not have been a success without your dedication.

The 7th World Peace Forum attracted more attention both domestically and internationally than ever before. The Chinese established media outlets, e.g. CCTV, CGTN, as well as a number of publically influential media oversea have reported on this event.

Best wishes for your good health and for the prosperity of your country. Look forward to seeing you again in next year's forum.

Sincerely yours,
